

Avalanche crown one cirque north of Frazier Lake

Date

Sat, 04/01/2023 - 09:00

Activity

Skiing

Saw this crown from a distance today. Possibly natural R3-D3 on ESE aspect, likely caused by wind loading. Unsure when it occurred, but crown looked large and debris ran into the flats mowing down some small flag trees.

Region

Bridger Range

Location (from list)

Frazier Basin
