

2 slides in Upper A-Zs

Date

Sat, 03/30/2024 - 10:44

Activity

Skiing

Saw 2 small avalanches running down the upper A-Zs when I was standing at the top of the Gullies at 10:44am. No ski patrollers in sight. I got a video of them moving but didn't catch the start. Sun was directly hitting the ridge at the time.

Region

Northern Madison

Location (from list)

Big Sky Resort
